

ADAPTIVE CAR SEAT FITTING PROGRAM

Specialized adaptive car seat evaluations can help to ensure your child's safety on the road. Our trained team of specialists will assess your current vehicle and car seat to determine the special needs car seat that best fits your child's needs.

EVALUATION:

2 hours

WHEN:

Thursday mornings

WHERE:

Mary Free Bed Grand Rapids Campus

CONTACT

Adaptive car seat fitting sessions are covered by most insurance policies. A physician referral is required.
