

Feel Like Yourself Again

Your journey after breast surgery is personal. At CareLinc, our certified mastectomy fitters are here to help you find the right products for your comfort, lifestyle, and individual needs.

Our Mastectomy Products:

**Essential post-mastectomy products are usually covered by insurance when prescribed by a physician.*

- **Breast Prostheses (Forms):** A variety of shapes, sizes, and materials to help restore balance and symmetry
- **Mastectomy Bras:** Comfortable, supportive bras designed with pockets to securely hold breast forms
- **Post-Surgical Camisoles:** Soft, supportive options designed for the early stages of recovery, including convenient drain pockets.
- **Lymphedema & Compression Garments:** Compression solutions designed to help manage swelling and support your recovery.

Certified Mastectomy Fitter Service:

Finding the right mastectomy products is about more than size, it's about comfort, fit, and confidence. Our certified mastectomy fitters provide **personalized, private** appointments to help you find breast forms, mastectomy bras, and other post-surgical products that fit your body and lifestyle.

From your initial measurements and product selection to wear-and-care education and ongoing product support, we're here to help you feel comfortable and confident every step of the way.

Support When You Need It.
